Savanta: ComRes

Attitudes and Experiences of Women During the Covid-19 Pandemic, Greater Manchester Combined Authority – 10 July 2020

Savanta ComRes interviewed 1,017 Manchester women aged 18+ online between 23 June and 1 July 2020. Data were weighted to be representative of population by age, ethnicity, and sub-region. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at ***www.comresglobal.com****.*

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.
