Taxation Survey

ONLINE Fieldwork : 4th-6th November 2011

Absolutes/col percents

Table 12

Q.1 Alongside the traditional methods of taxation, such as income tax and national insurance, there are a number of indirect taxes and charges that the Government use to raise money. To what extent do you support or oppose each of the following taxes?

Customs duty: A tax on goods imported from outside of the European Union

Base: All respondents
