

BBC Radio 5live – Energy Day Poll

METHODOLOGY NOTE

ComRes interviewed 1,035 UK adults by telephone between the 30th August and 1st September 2013. Data were weighted to be representative of all adults aged 18+ in the UK. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock: katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

Energy Poll

CATI Fieldwork : 30th August - 1st September 2013

Absolutes/col percents

Table 1

Q1. Thinking about your home energy use and how you pay for it, does each of these statements apply to you, or not....

-Summary

Base: All respondents

	Q1. Summary			
	I have cut my energy use because of rising energy bills	I am concerned about how I will pay my heating bills this winter	In the past year, I have had to put up with unacceptably cold temperatures in my home because of struggling to pay heating bills	I think the price of energy in this country is reasonable
Unweighted base	1035	1035	1035	1035
Weighted base	1035	1035	1035	1035
Applies	650 63%	396 38%	260 25%	268 26%
Does not apply	384 37%	636 61%	774 75%	757 73%
Don't know	1 *	2 *	1 *	9 1%

-Summary

Base: All respondents

	Q4. Summary							
	I am prepared to pay more for greener, cleaner energy	I am not really bothered where my energy comes from	The energy companies set prices in a way that is fair and reasonable	The Government is too green when it comes to energy policy	The Government is not green enough when it comes to energy policy	At a time of economic difficulty, it is more important to provide power as cheaply as possible than to reduce carbon emissions	The way the energy industry treats consumers is properly regulated	Consumers would be better served if the energy industry was nationalised like it used to be
