**Labour**

Base: All Respondents

	Whether or not I would have voted for the Conservative or Liberal Democrat Parties, I will not do so under their current leaderships if they introduce this measure		This issue has been overblown as a threat to the institution of marriage by opponents of same-sex unions		David Cameron has shown himself to be intolerant in his reaction to opposition to his plan for same-sex marriage		I don't believe the Government's reassurance that churches and other places of worship would not be forced to conduct same-sex marriages		Even if the UK Government does exempt churches and other places of worship from a legal requirement to conduct same-sex marriages, I would be concerned that the UK courts or the European Court of Human Rights will overturn this exemption

	Whether or not I would have voted for the Conservative or Liberal Democrat Parties, I will not do so under their current leaderships if they introduce this measure		This issue has been overblown as a threat to the institution of marriage by opponents of same-sex unions		David Cameron has shown himself to be intolerant in his reaction to opposition to his plan for same-sex marriage		I don't believe the Government's reassurance that churches and other places of worship would not be forced to conduct same-sex marriages		Even if the UK Government does exempt churches and other places of worship from a legal requirement to conduct same-sex marriages, I would be concerned that the UK courts or the European Court of Human Rights will overturn this exemption

### The Church of England

	Whether or not I would have voted for the Conservative or Liberal Democrat Parties, I will not do so under their current leaderships if they introduce this measure		This issue has been overblown as a threat to the institution of marriage by opponents of same-sex unions		David Cameron has shown himself to be intolerant in his reaction to opposition to his plan for same-sex marriage		I don't believe the Government's reassurance that churches and other places of worship would not be forced to conduct same-sex marriages		Even if the UK Government does exempt churches and other places of worship from a legal requirement to conduct same-sex marriages, I would be concerned that the UK courts or the European Court of Human Rights will overturn this exemption

	Whether or not I would have voted for the Conservative or Liberal Democrat Parties, I will not do so under their current leaderships if they introduce this measure		This issue has been overblown as a threat to the institution of marriage by opponents of same-sex unions		David Cameron has shown himself to be intolerant in his reaction to opposition to his plan for same-sex marriage		I don't believe the Government's reassurance that churches and other places of worship would not be forced to conduct same-sex marriages		Even if the UK Government does exempt churches and other places of worship from a legal requirement to conduct same-sex marriages, I would be concerned that the UK courts or the European Court of Human Rights will overturn this exemption

	Whether or not I would have voted for the Conservative or Liberal Democrat Parties, I will not do so under their current leaderships if they introduce this measure		This issue has been overblown as a threat to the institution of marriage by opponents of same-sex unions		David Cameron has shown himself to be intolerant in his reaction to opposition to his plan for same-sex marriage		I don't believe the Government's reassurance that churches and other places of worship would not be forced to conduct same-sex marriages		Even if the UK Government does exempt churches and other places of worship from a legal requirement to conduct same-sex marriages, I would be concerned that the UK courts or the European Court of Human Rights will overturn this exemption

	Total	Agree	Disagree	Don't know	Not stated
Whether or not I would have voted for the Conservative or Liberal Democrat Parties, I will not do so under their current leaderships if they introduce this measure	569 100%	340 60%	128 23%	95 17%	6 1%
This issue has been overblown as a threat to the institution of marriage by opponents of same-sex unions	569 100%	119 21%	392 69%	56 10%	2 *
David Cameron has shown himself to be intolerant in his reaction to opposition to his plan for same-sex marriage	569 100%	361 63%	72 13%	130 23%	7 1%
