

CAF

Local Government Survey

METHODOLOGY NOTE

ComRes interviewed 2,012 GB adults online between 26th and 28th April 2013. Data were weighted to be representative of all British adults aged 18+. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

Charities Survey

Table 2

Q.2 All councils provide services to local communities ranging from meals on wheels to youth clubs. Most councils currently use charities or private companies to provide some of these services. To what extent do you agree or disagree with the following statements?

Summary**Base: All respondents**

	Statements					
	It is good that councils use charities with relevant experience to provide public services	It is important that local services are delivered by those who know the local area and people well	Charities understand communities better than private companies	Charities do valuable work within my local area	I have seen a deterioration in council services in the last year	I am concerned that cuts in services provided by councils will affect me in the future

Q.3 To what extent do you agree or disagree with the following statements?

Summary

Base: All respondents

	Statements					
	The local community will suffer if charity funding is cut by councils	Local Government should use charities to provide services on their behalf	Councillors should not cut funding to charities by more than they cut other services overall	Charities are well placed to deliver services because their not for profit status means they can put their mission first	Charities should not be given special treatment	Government is doing enough to support charities in these tough times

Q.4 The Charities Aid Foundation (CAF) is running the 'Back Britain's Charities' campaign, which aims to promote the work that charities do in communities across Britain. The campaign is working to ensure that charities are protected in a challenging economic environment, and is calling on people in Britain to do their bit to support charities. Would you consider signing a petition to show your support for this campaign?
