	Statements					
	A marriage between two men or two women cannot be said to be the same kind of union as that between a man and a woman	Marriage should be defined as a life-long, exclusive commitment between a man and a woman	Although death or divorce may prevent it, children have the best chance in life if raised by a mother and father in a committed, permanent relationship	David Cameron has undermined Christianity in this country	David Cameron has improved religious freedom in this country	It is inevitable that the Church of England will be forced to conduct same-sex marriages irrespective of the views of individual church ministers
