## COMMUNICATERESEARCH PARLIAMENTARY PANEL

## Funding Political Parties

Q. Would you support or oppose each of the following proposals for reforming the way political parties are funded?

All MPs

|  | Support | Oppose | No <br> opinion |
| :--- | :---: | :---: | :---: |
|  | $\%$ | $\%$ | $\%$ |
| Extending current state <br> funding | 56 | 38 | 6 |
| Reducing current state <br> funding | 9 | 79 | 13 |
| Cap on donations from third <br> parties | 58 | 30 | 12 |
| Relaxing existing general <br> election spending caps for <br> political parties | 11 | 81 | 7 |
| Requiring large donors to <br> register their gifts publicly | 82 | 15 | 3 |
| Allowing political parties to <br> purchase media time, e.g. <br> for TV advertising | 18 | 74 | 7 |

Labour MPs

|  | Support | Oppose | No <br> opinion |
| :--- | :---: | :---: | :---: |
|  | $\%$ | $\%$ | $\%$ |
| Extending current state <br> funding | 62 | 32 | 6 |
| Reducing current state <br> funding | 5 | 86 | 9 |
| Cap on donations from third <br> parties | 72 | 15 | 14 |
| Relaxing existing general <br> election spending caps for <br> political parties | 11 | 85 | 4 |
| Requiring large donors to <br> register their gifts publicly | 96 | 1 | 2 |
| Allowing political parties to <br> purchase media time, e.g. <br> for TV advertising | 14 | 79 | 7 |

Conservative MPs

|  | Support | Oppose | No <br> opinion |
| :--- | :---: | :---: | :---: |
|  | $\%$ | $\%$ | $\%$ |
| Extending current state <br> funding | 28 | 65 | 7 |
| Reducing current state <br> funding | 19 | 67 | 14 |
| Cap on donations from third <br> parties | 9 | 77 | 14 |
| Relaxing existing general <br> election spending caps for <br> political parties | 16 | 67 | 16 |
| Requiring large donors to <br> register their gifts publicly | 47 | 51 | 2 |
| Allowing political parties to <br> purchase media time, e.g. <br> for TV advertising | 36 | 52 | 12 |

## Methodology

Fieldwork: Conducted by postal self-completion questionnaire between 14 June and 8 July 2004 among MPs on the CommunicateResearch Parliamentary Panel. 154 MPs participated ( 84 Labour, 43 Conservative and 27 from the smaller parties).

Data may not add up to $\mathbf{1 0 0 \%}$ due to rounding.
