## US Presidential Election Survey

CATI Fieldwork : October 17th-19th 2008

## Table 1

Q. 1 During the US presidential election there has been a lot of talk of electing the oldest or the first black US president in history. In your opinion, and if all their other qualities were acceptable to you, would you vote for a political leader, such as a president or a prime minister, who was...?
Base: All respondents
