

Table	Title
1	S1 Are you...?
2	S2 Which of the following age categories are you within?
3	S2b In which region do you work?
4	Big regions
5	S3 Please tell us in what industry your company works in.
6	S4 What type of institution do you represent?
7	S5 What is your role within the company?
8	S7 Approximately how many full-time people are employed by your organization (including all branches, divisions and subsidiaries, but excluding franchises)?
9	S8 Please try to classify your company's revenue in the last financial year according to the following categories:
10	Q.1 1 Please rank the following markets in order of importance to your firm. - EU -
11	Q.1 2 Please rank the following markets in order of importance to your firm. - USA -
12	Q.1 3 Please rank the following markets in order of importance to your firm. - Rest of the world -
13	S6 Where is your firm's headquarters/decision-making centre located?
14	Q.2 1 Do you agree or disagree with each of the following statements about EU financial regulation? - On balance, the costs of EU regulation, over the last two decades have outweighed the benefits
15	Q.2 9 Do you agree or disagree with each of the following statements about EU financial regulation? - On balance, the costs of EU regulation currently outweigh the benefits of the single market to t
16	Q.2 2 Do you agree or disagree with each of the following statements about EU financial regulation? - Over the next five years, I expect the costs of EU regulation to outweigh the benefits of the singl
17	Q.2 3 Do you agree or disagree with each of the following statements about EU financial regulation? - The cost of UK-derived FSA regulation outweighs its benefits to the City of London. -
18	Q.2 4 Do you agree or disagree with each of the following statements about EU financial regulation? - EU regulation is designed to facilitate the Single Market and to stabilise financial markets. -
19	Q.2 5 Do you agree or disagree with each of the following statements about EU financial regulation? - EU regulation tends to be designed to concentrate more powers with politicians and officials in.
20	Q.2 6 Do you agree or disagree with each of the following statements about EU financial regulation? - EU institutions have a better understanding of how financial markets operate compared to the F
21	Q.2 7 Do you agree or disagree with each of the following statements about EU financial regulation? - The UK Government should take back more control from the EU over financial regulation and gc
22	Q.2 8 Do you agree or disagree with each of the following statements about EU financial regulation? - The UK Government needs to renegotiate existing EU treaties to safeguard the City of London, li
23	Q.3 To what extent would you support or oppose the UK having a veto on future EU financial regulation and other financial measures even if that risked reducing your firm's market access to one or m
24	Q.4 If an EU Financial Transaction Tax was introduced would you consider moving some or all of your activities to outside the EU?
25	Q.4a To what extent would you support or oppose including a legally binding protocol in EU treaties stating that all future decisions affecting the Single market would have to be agreed by a majority c
26	Q.5 1 Please rank each of the following potential tax changes in order of how concerned you are about the ir effect on your firm's competitiveness in the global market place. - An introduction of EU fin
27	Q.5 2 Please rank each of the following potential tax changes in order of how concerned you are about the ir effect on your firm's competitiveness in the global market place. - Making the 50% UK incor
28	Q.5 3 Please rank each of the following potential tax changes in order of how concerned you are about the ir effect on your firm's competitiveness in the global market place. - Increasing corporation ta
29	Q.5 4 Please rank each of the following potential tax changes in order of how concerned you are about the ir effect on your firm's competitiveness in the global market place. - Making the bank levy per
30	Q.5 5 Please rank each of the following potential tax changes in order of how concerned you are about the ir effect on your firm's competitiveness in the global market place. - Increasing stamp duty on
31	Q.5 6 Please rank each of the following potential tax changes in order of how concerned you are about the ir effect on your firm's competitiveness in the global market place. - Increasing capital gains t
32	Q.6 How effective, or otherwise, do you think that the current UK Government has been at representing the interests of the City of London in EU negotiations?
33	Q.7 What proportion of your firm's income is generated through business with companies based in the EU (excluding UK-based companies)?
34	Q.8 If a Financial Transaction Tax was introduced for the Eurozone alone, what impact do you think it would have on your firm's UK operations?
	Summary Table
