Intergenerational Transfers

METHODOLOGY NOTE

ComRes interviewed 2,055 GB adults online between 14th and 16th June 2013. ComRes also interviewed over the telephone 510 British adults with a combined annual household income of £20,000 and below between 17th June and 8th July. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock: katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

Intergenerational Transfers Survey

<p>1. Thinking about the role that families can play in supporting adult children and adult grandchildren during times of financial difficulty, to what extent, if at all, do you agree or disagree with each of the following statements? a) Providing regular financial and practical support to adult members of the family is just what families do</p> <p>Base: All Respondents</p>	1
<p>1. Thinking about the role that families can play in supporting adult children and adult grandchildren during times of financial difficulty, to what extent, if at all, do you agree or disagree with each of the following statements? b) It is wrong to be financially dependent on your parents as an adult</p> <p>Base: All Respondents</p>	4
<p>1. Thinking about the role that families can play in supporting adult children and adult grandchildren during times of financial difficulty, to what extent, if at all, do you agree or disagree with each of the following statements? c) Some people get an unfair head start in life from the amount they receive from their parents</p> <p>Base: All Respondents</p>	7
<p>1. Thinking about the role that families can play in supporting adult children and adult grandchildren during times of financial difficulty, to what extent, if at all, do you agree or disagree with each of the following statements? d) People tend to struggle when they don't receive financial or practical support from their parents</p> <p>Base: All Respondents</p>	10
<p>1. Thinking about the role that families can play in supporting adult children and adult grandchildren during times of financial difficulty, to what extent, if at all, do you agree or disagree with each of the following statements? e) Adults should look to their families before government for financial and practical support</p> <p>Base: All Respondents</p>	13
<p>1. Thinking about the role that families can play in supporting adult children and adult grandchildren during times of financial difficulty, to what extent, if at all, do you agree or disagree with each of the following statements? Summary table</p> <p>Base: All Respondents</p>	16
<p>2. Thinking about the different kinds of financial support that you have ever received from a parent or given to an adult child, which, if any, of the following apply to you? a) Large, one off payment (e.g. deposit for a flat, a wedding, a car, a holiday)</p> <p>Base: All Respondents</p>	17
<p>2. Thinking about the different kinds of financial support that you have ever received from a parent or given to an adult child, which, if any, of the following apply to you? b) Large regular payments (e.g. regular, large cash transfers and/or regular payment of utility bills, insurance, phone bills, driving lessons etc)</p> <p>Base: All Respondents</p>	20
<p>2. Thinking about the different kinds of financial support that you have ever received from a parent or given to an adult child, which, if any, of the following apply to you? c) Small, one off payment (e.g. cash in hand to buy something)</p> <p>Base: All Respondents</p>	23
<p>2. Thinking about the different kinds of financial support that you have ever received from a parent or given to an adult child, which, if any, of the following apply to you? d) Small regular payments (e.g. regular payment for essential items like nappies, food, transport)</p> <p>Base: All Respondents</p>	26
<p>2. Thinking about the different kinds of financial support that you have ever received from a parent or given to an adult child, which, if any, of the following apply to you? Summary table</p> <p>Base: All Respondents</p>	29
<p>3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? a) Lifts in a car</p> <p>Base: All Respondents</p>	30
<p>3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? b) Food shopping</p> <p>Base: All Respondents</p>	33
<p>3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? c) Cooked meals</p> <p>Base: All Respondents</p>	36
<p>3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? d) Childcare</p> <p>Base: All Respondents</p>	39
<p>3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? e) Help with washing, ironing, cleaning</p> <p>Base: All Respondents</p>	42
<p>3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? f) Support with personal affairs e.g. paying bills, writing letters</p> <p>Base: All Respondents</p>	45

Intergenerational Transfers Survey

3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? g) Help with decorating, gardening, house repairs	48
Base: All Respondents	
3. Thinking about the different kinds of practical support that you regularly receive from a parent or give to an adult child, which if any of the following apply to you? Summary table	51
Base: All Respondents	
Q2/3 Ever given or received any support	52
4. Thinking about the financial support that you have received from a parent over the past 5 years approximately how much do you think that this is worth in total? Please do not include inheritance from deceased family members.	55
Base: All who have received some sort of support	
5. Thinking about all of the different kinds of financial support that you have given to an adult child over the past five years, approximately how much do you think this is worth in total?	59
Base: All who have provided some sort of support	
6. For each of the different kinds of financial support that you have given to an adult child or children, which, if any of the following statements best describe that support? Large, one off payment	64
Base: All who have given Large, one off payment	
6. For each of the different kinds of financial support that you have given to an adult child or children, which, if any of the following statements best describe that support? Large regular payments	67
Base: All who have given Large regular payments	
6. For each of the different kinds of financial support that you have given to an adult child or children, which, if any of the following statements best describe that support? Small, one off payment	70
Base: All who have given Small, one off payment	
6. For each of the different kinds of financial support that you have given to an adult child or children, which, if any of the following statements best describe that support? Small regular payments	73
Base: All who have given Small regular payments	
6. For each of the different kinds of financial support that you have given to an adult child or children, which, if any of the following statements best describe that support? Summary table	76
Base: All Respondents	
7. Thinking about the variety of support that you have received from a parent which one, of the following has had the most significant impact on your life?	77
Base: All who have received some sort of support	
8. Thinking about all the various financial and practical support that you have received from a parent, what impact has it had upon your life?	83
Base: All who have received some sort of support	
9. Which, if any, of the following, best describes the amount of financial support that you have received from a parent over the past five years and the main reason for this?	86
Base: All who have received some sort of support	
10. Thinking about all of the different kinds of financial and practical support that you have given to an adult child or children which, if any of the following, best describe the impact that this has had on your life?	92
Base: All who have provided some sort of support	
Gender	95
Base: All Respondents	
Age	98
Base: All Respondents	
Ethnic group	101
Base: All Respondents

Intergenerational Transfers Survey

1. Thinking about the role that families can play in supporting adult children and adult grandchildren during times of financial difficulty, to what extent, if at all, do you agree or disagree with each of the following statements?

b) It is wrong to be financially dependent on your parents as an adult

Base: All Respondents
