	Q2 Summary							
	Roy Hodgson is a good choice of manager for the England football team	Harry Redknapp would have made a better choice than Roy Hodgson for manager of the England football team	England stands little or no chance of winning the EURO 2012 football tournament	Racism is widespread in Ukrainian football	No country should be allowed to host the UEFA EURO football championship if they are shown to not be addressing their problems with racism in the game	David Beckham should be selected over other possible players for Great Britain's 2012 Olympic football team	Given that he is under investigation for racist behaviour, it is wrong to include John Terry in the England team for the EURO 2012 football championship	Racism is widespread in English football
