## Young People's Survey

Fieldwork dates: 21st-25th May 2009
Q3 Which of the following measures do you think would be most likely to reduce gun and knife crime...?
Base: All

Total
Better education in schools
Increasing stop and search powers for the police

Longer sentences for people caught carrying knives and guns

Metal detectors in schools
Airport-style security checks on the streets More activities for young people
None of these

ComRes

## Young People's Survey

Fieldwork dates: 21st-25th May 2009
Q4 In your opinion which of these, if any, is most likely to drive people of your age to carry a knife or gun?
Base : All

Total
Pressure from friends
Fear of being a crime victim
Wanting respect

Wanting to commit crime
Stories in the media about the number of people being stabbed/ shot

Being able to protect themselves if they're threatened
