

BBC Radio 5 Live Transport Poll

METHODOLOGY NOTE

ComRes interviewed 1,002 by telephone between the 22nd and 24th November 2013. Data were weighted to be representative of all GB adults aged 18+. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock: katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

Q6. The Government is contributing £1 billion towards the cost of improving part of the A14 near Cambridge to increase capacity on a very busy road. Up to £400 million of the cost will come from charging a toll of up to £1.50 for cars and £3 for HGVs. In general, do you support or oppose toll roads as a way of funding new road building in the UK?
