

BBC Radio 4 WELFARE POLL

METHODOLOGY NOTE

ComRes interviewed 1,001 adults online from 16th to 18th November 2012. Data were weighted to be demographically representative of all British adults aged 18+. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

Q.5 Some people believe that certain benefits should be available to everyone whatever their income, while others believe that they should only be available to people with income or savings below a certain level. For each of the benefits I am about to read out please tell me if you think they should be available to everyone, whatever their income, or just to those with income or savings below a certain level.
