

Brussels Influencers – Autumn 2013: Predictions and Expectations for the next EU Parliament

METHODOLOGY NOTE

ComRes interviewed 203 key Brussels professionals (working for/on issues impacting/impacted by the European Union) online between the 29th October and 19th December 2013. Data were weighted so that half of the sample represents EU institutions (Parliament, Commission, Agencies, and Permanent Representatives). ComRes is a member of the British Polling Council and abides by its rules. The survey was conducted according to the ICC/ESOMAR Code.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.
