Summary

		Statements				
		Although death and divorce may prevent it, children have the best chance in life if raised by their own mother and father in a committed permanent relationship	Stable relationships between same-sex couples should be legally recognised through the civil partnership scheme rather than through redefining marriage	Marriage should continue to be defined as a life-long exclusive commitment between a man and a woman	Legalising same sex marriage is important because keeping Civil Partnership and marriage separate and distinct worsens public attitudes towards gay people	David Cameron is out of touch with ordinary voters in making same-sex marriage a priority
