Q8 To what extent do you agree or disagree with each of these following statements?

## Summary table of mean scores <br> Base: All respondents

## Unweighted Total

Weighted Total
The public sector cuts are having a negative impact on my council's ability to deliver front-line services
The public sector cuts are having a positive impact on my council's ability to deliver front-line services
Residents in my area have not yet begun to feel the full impact of spending cuts to local government services
My council has already executed its cost cutting plan in order to meet budgetary cuts
expect further cuts in council spending to be necessary in the next few years
