

ABPI – Disclosure of Payments to Healthcare Professionals

METHODOLOGY NOTE

ComRes interviewed 507 healthcare professionals online between 21st May and 8th June 2015. The sample of respondents included an equal split of GPs, Hospital Specialists, Pharmacists and Nurses from throughout the UK.

ComRes is a member of the British Polling Council and abides by its rules. All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock:
katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

D5. Age	7
Base: All respondents	
D6. Which region do you practice in?	9
Base: All respondents	
Q1. Prior to reading the information above, to what extent, if at all, were you aware that pharmaceutical companies will be disclosing details of the payments they make to healthcare professionals, on an individual, named, basis from 2016?	13
Base: All respondents	
Q2. Through which, if any, of the following channels had you heard about the new disclosure of payments initiative?	15
Base: All who have heard of pharmaceutical companies disclosure	
Q3. Which of the following statements, if any, most closely describes your level of interaction with pharmaceutical companies?	17
Base: All respondents	
Q4. What impact, if any, will the publication of healthcare professional payment data in 2016 have on your relationship with pharmaceutical companies?	19
Base: All respondents	
Q5_SUM. To what extent do you agree or disagree with each of the following statements regarding payments from pharmaceutical companies to individual health care professionals? - SUMMARY TABLE	21
Base: All respondents	
Q5_1. To what extent do you agree or disagree with each of the following statements regarding payments from pharmaceutical companies to individual health care professionals? - Payments from pharmaceutical companies to individually named healthcare professionals should be transparent	23
Base: All respondents	
Q5_2. To what extent do you agree or disagree with each of the following statements regarding payments from pharmaceutical companies to individual health care professionals? - Payment from pharmaceutical companies to individually named healthcare professionals should be publicly declared	25
Base: All respondents	
Q5_3. To what extent do you agree or disagree with each of the following statements regarding payments from pharmaceutical companies to individual health care professionals? - Payment from pharmaceutical companies to individually named healthcare professionals should be declared on a single, publicly searchable, central database	27
Base: All respondents	
Q5_4. To what extent do you agree or disagree with each of the following statements regarding payments from pharmaceutical companies to individual health care professionals? - Individual healthcare professionals should play a role in the disclosure of payments received from pharmaceutical companies (e.g. by submitting information or validating the information submitted by others, alongside the submission of the same information by industry)	29
Base: All respondents	
Q5_5. To what extent do you agree or disagree with each of the following statements regarding payments from pharmaceutical companies to individual health care professionals? - Declaring payments from pharmaceutical companies to individually named healthcare professionals is unnecessary	31
Base: All respondents	
Q5_6. To what extent do you agree or disagree with each of the following statements regarding payments from pharmaceutical companies to individual health care professionals? - Declaring payments from pharmaceutical companies to individually named healthcare professionals will adversely affect medical innovation	33
Base: All respondents	
Q6_SUM. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? - SUMMARY TABLE	35
Base: All respondents	
Q6_1. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? - Payments from any commercial organisations to individually named healthcare professionals should be transparent	37

Q6_2. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? - Payment from any commercial organisations to individually named healthcare professionals should be publicly declared 39

Base: All respondents

Q6_3. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? - Payment from any commercial organisations to individually named healthcare professionals should be declared on a single, publicly searchable, central database 41

Base: All respondents

Q6_4. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? - Individual healthcare professionals should play a role in the disclosure of payments received from commercial organisations (e.g. by submitting information or validating the information submitted by others, alongside the submission of the same information by industry) 43

Base: All respondents

Q6_5. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? - Declaring payments from commercial organisations to individual named healthcare professionals is unnecessary 45

Base: All respondents

Q6_6. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? - Declaring payments from commercial organisations to individually named healthcare professionals will adversely affect working relationships between the healthcare profession and wider business 47

Base: All respondents

Q7_SUM. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - SUMMARY TABLE 49

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7_1. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - I keep a record of how much I earn from the pharmaceutical company / companies I work with throughout the year 51

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7_2. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - I have had a conversation with the pharmaceutical company/ companies I work for about how the disclosure of payment data will affect me 53

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7_3. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - I would like more information from the pharmaceutical company/ companies I work with about how the disclosure of payment data will affect me 55

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7_4. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - I would like more information from my own professional body, trade body or union about how the disclosure of payment data will affect me 57

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7_5. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - I have already given, or am likely to give, permission to the pharmaceutical company/ companies I work with to disclose my payment information 59

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7_6. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - I am concerned about how I will deal with any questions from patients or others once the payments disclosure database is launched in 2016 61

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7_7. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. - Once the disclosure database is launched in 2016, I will access the system to check my data and make sure it's accurate 63

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind
