Q6\_4. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? Individual healthcare professionals should play a role in the disclosure of payments received from commercial organisations (e.g. by submitting information or validating the information submitted by others, alongside the submission of the same information by industry) ..... 41

Base: All respondents

Q6\_5. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? Declaring payments from commercial organisations to individual named healthcare professionals is unnecessary ..... 43

Base: All respondents

Q6\_6. To what extent do you agree or disagree with each of the following statements regarding payments from any commercial organisations to individual health care professionals? Declaring payments from commercial organisations to individually named healthcare professionals will adversely affect working relationships between the healthcare profession and wider business ..... 45

Base: All respondents

Q7\_SUM. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. SUMMARY TABLE ..... 47

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7\_1. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. I keep a record of how much I earn from the pharmaceutical company / companies I work with throughout the year . 48

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7\_2. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. I have had a conversation with the pharmaceutical company/ companies I work with about how the disclosure of payment data will affect me ..... 50

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7\_3. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. I would like more information from the pharmaceutical company/ companies I work with about how the disclosure of payment data will affect me ..... 52

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7\_4. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. I would like more information from my own professional body, trade body or union about how the disclosure of payment data will affect me ..... 54

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7\_5. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. I have already given, or am likely to give, permission to the pharmaceutical company/ companies I work with to disclose my payment information ..... 56

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7\_6. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. I am concerned about how I will deal with any questions from patients or others once the payments disclosure database is launched in June of this year ..... 58

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q7\_7. Regarding the work you currently do with a pharmaceutical company/ companies, to what extent do you agree or disagree with each of the following statements. Once the disclosure database is launched this year I will access the system to check my data and make sure it's accurate ..... 60

Base: All who currently have a relationship with one or more pharmaceutical companies for which they receive payment or benefit in kind

Q8. Thinking about the process involved in declaring payments from pharmaceutical companies to individually named healthcare professionals such as yourself, which of the following, if any, would be a concern for you? ..... 62

Base: All respondents

Q8. Thinking about the process involved in declaring payments from pharmaceutical companies to individually named healthcare professionals such as yourself, which of the following, if any, would be a concern for you? ..... 65

Base: Those who have or have had a relationship with a pharmaceutical company
