

Amnesty International, Human Rights Poll – 1st March 2021

Methodology: Savanta ComRes interviewed 2,247 UK adults online between 26th and 28th February 2021. Data were weighted to be representative of UK adults by key demographics including age, gender, region and social grade. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact better.decisions@savanta.com or call **020 7632 3434**.

Table of Contents

Q1. Which, if any, of the following issues do you think the UK Government should prioritise over the next few years?	1
BASE: All respondents	
Q2. If the UK Government redrafts the Human Rights Act, which of the following rights currently protected by the Human Rights Act, if any, do you think should not be included?	7
BASE: All respondents	
Q3. Summary: To what extent, if at all, do you agree or disagree with the following statements?	13
BASE: All respondents	
Q3_1. In order to be effective, rights, laws and protections must apply to everybody equally: To what extent, if at all, do you agree or disagree with the following statements?	14
BASE: All respondents	
Q3_2. Changing human rights laws in the UK would have a negative impact on the UK's ability to promote human rights internationally: To what extent, if at all, do you agree or disagree with the following statements?	17
BASE: All respondents	
Q3_3. It is important to have a safety net to be able to hold the Government to account when things go wrong: To what extent, if at all, do you agree or disagree with the following statements?	20
BASE: All respondents	
Q3_4. The coronavirus pandemic has made it clear we need human rights protections more than ever: To what extent, if at all, do you agree or disagree with the following statements?	23
BASE: All respondents	
Q3_5. The Government should leave the Human Rights Act alone as changing it could threaten the union of the United Kingdom (England, Northern Ireland, Scotland, Wales): To what extent, if at all, do you agree or disagree with the following statements?	26
BASE: All respondents	
Q3_6. The Government should leave the Human Rights Act alone because it would undermine the Good Friday Agreement peace settlement in Northern Ireland: To what extent, if at all, do you agree or disagree with the following statements?	29
BASE: All respondents	
Q3_7. Human rights should be considered permanent and politicians should not be able to reduce them: To what extent, if at all, do you agree or disagree with the following statements?	32
BASE: All respondents
