**Q.1 To what extent do you agree or disagree with each of the following statements about your child/children's exam or test revision?**

#### Summary Table

**Base: All respondents who have children aged 11-18**

	Statements							
	I find it difficult to help my child / children with their revision because I don't always understand the subjects they study	My child prefers it if I leave them alone when they are revising for exams	I sometimes feel I am having a negative impact on my child's exam performance by putting too much pressure on them	I have offered money as an incentive during a revision period, to improve my child's grades	Not knowing how to best help my child / children with their revision can sometimes make me feel like I am not a good enough parent	I often lose sleep worrying about my child's revision and exams	The pressure of my child / children's revision period affects my mental health	I would like more help and advice on how to support my child / children through their revision
