

BBC – SEXUAL HARASSMENT IN THE WORKPLACE

Methodology: ComRes surveyed 6,206 British adults online aged 18+ between 15th November and 24th November 2017. Data were weighted to be representative of all GB adults by age, gender, region and social grade. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660.

To register for Pollwatch, featuring commentary and insight from the ComRes team, please email: pollwatch@comresglobal.com

Q.10 To what extent do you agree, or disagree, with these statements?

Summary Table

Base: All respondents

	Statements								
	I would be more likely to report verbal sexual harassment now than I was 12 months ago	People are too sensitive these days about what most people would regard as perfectly innocent behaviour	Unwelcome sexual behaviour is a serious problem in this country	Looking back over my working life, I have witnessed behaviour that I now believe to constitute sexual harassment but didn't think it was at the time	Looking back over my working life, I have at times behaved in a way that might now constitute sexual harassment but didn't at the time	Looking back over my working life, I have been on the receiving end of behaviour which now I think constituted sexual harassment but I didn't think so at the time	I have had a relationship with a colleague that went beyond friendship	I have had a relationship with a customer or client that went beyond friendship
