

# Broadband Infrastructure Survey

## METHODOLOGY NOTE

ComRes interviewed 2,035 British adults between 31st August and 1st September 2016. Data were weighted by age, gender, region and social grade to be representative of all British adults aged 18+. ComRes is a member of the British Polling Council and abides by its rules.

*All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.*
