

CENTRE FOR CITIES – 2017 MAYORAL RESEARCH

WEST OF ENGLAND CITY-REGION

METHODOLOGY NOTE

ComRes interviewed 501 adults from the West of England city-region between 1st and 13th September 2016. Respondents were sampled and weighted to be representative by age and gender of adults aged 18+ in the West of England. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Tom Mludzinski:

tom.mludzinski@comresglobal.com

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comresglobal.com

Q1_9. Which, if any, of the following issues do you think should be the most important priorities for politicians in your city or region at the moment? Emergency services	33
Base: All adults in West of England	
Q1_10. Which, if any, of the following issues do you think should be the most important priorities for politicians in your city or region at the moment? Broadband infrastructure	35
Base: All adults in West of England	
Q1_11. Which, if any, of the following issues do you think should be the most important priorities for politicians in your city or region at the moment? Waste management	37
Base: All adults in West of England	
Q2. In May 2017, a new Mayor will be elected in the West of England city-region, with powers over education and skills, transport, housing and planning, trade and investment. To what extent, if at all, were you previously familiar or unfamiliar with the plans to introduce a new Mayor for the city-region of West of England?	39
Base: All adults in West of England	
Q3_SUM. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? SUMMARY TABLE	41
Base: All adults in West of England	
Q3_SUM. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? TOP 3 NET SUMMARY	42

City region mayor research - West of England

Base: All adults in West of England

Q3_1. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? Introducing 'oyster-style' smart ticketing for public transport across the city-region 45
Base: All adults in West of England

Q3_2. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? Developing plans to invest in rail and road networks within the city-region 47
Base: All adults in West of England

Q3_3. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? Working with developers to get homes built either to buy or rent 49
Base: All adults in West of England

Q3_4. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? Developing plans to build or commission affordable housing 51
Base: All adults in West of England

Q3_5. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? Creating a city-region strategic plan (e.g. decisions over major developments and infrastructure) 53
Base: All adults in West of England

Q3_6. The new Mayor will not have direct control or responsibility for all the issues listed in the previous question. However, of the powers that the new Mayor will have, which of the following issues, if any, do you think should be his/her top priorities in their first 100 days? Working with further education colleges to co-ordinate skills funding and delivery (e.g. responsibilities over college outcomes) 55
Base: All adults in West of England

Q4. The new Mayor will be directly elected by residents of the city-region. At the moment, local council leaders are elected by their fellow councillors, rather than by the residents of the city. To what extent, if at all, do you agree or disagree that the new Mayor should have greater powers than local council leaders? 57
Base: All adults in West of England

Q5. The new mayor will act as an ambassador for the West of England city-region. Which of the following groups, if any, do you think are most important for the new mayor to speak to in order to promote the interests of West of England? Please select up to two options from the list below. 59

City region mayor research - West of England

Q4. The new Mayor will be directly elected by residents of the city-region. At the moment, local council leaders are elected by their fellow councillors, rather than by the residents of the city. To what extent, if at all, do you agree or disagree that the new Mayor should have greater powers than local council leaders?
