

## CHURCH OF ENGLAND – CHURCH MAPPING

Methodology: ComRes interviewed 8,150 GB adults aged 18+ online between 17<sup>th</sup> and 31<sup>st</sup> March 2017. Data were weighted to be demographically representative of all GB adults. ComRes is a member of the British Polling Council and abides by its rules.

*All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.*

## Church Mapping Survey

### ONLINE Fieldwork: 17th-31st March 2017

Absolutes/col percents

Table 13

**Q.6 When you considered yourself to be a Christian, roughly how often, if at all, did you do each of the following...?**

**Go to church**

**Base: All Wave 1 respondents who used to be a Christian**

|                            | To which of the following religious groups do you consider yourself to be a member of? |                       |                      |               |              |               |             |                      |              |             | Denomination                                     |                |                               |  |                       |                             |                      |                         |                          |              | Church Attendance    |                |                                |
