METHODOLOGY

ComRes interviewed 2,032 British adults from the 30th–31st October 2019. Data were weighted to be demographically representative of all GB adults. All questions were also weighted by 2017 past vote recall and EU Referendum past vote. Voting Intention is also weighted by likelihood to vote. ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

To commission a Voting Intention poll or a public opinion survey please contact Andrew Hawkins, Chairman:

Q.7 To what extent do you agree or disagree with each of the following. 'An election in the middle of December...?'

Summary

Base: All respondents

	Statements							
	Will ruin Christmas	Is needed to restore trust in politics	Is the best way to resolve the Brexit debate and allow the country to move on	Is better than holding a confirmatory referendum on Boris Johnson's deal	Is not worth voting in	Should include European Union citizens	Should include 16 and 17 year olds	Will only leave the country more divided
