

Cruelty Free Europe, Perceptions of Animal Testing in the EU – June 2020 – Belgium

Methodology: Savanta ComRes interviewed 174 adults aged 18+ in Belgium from the 9th and 19th June 2020. Data were weighted to be demographically representative by age, gender and region. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.
