

Daily Express – Snap Political Poll – October 2019

Methodology: ComRes surveyed 1,016 British adults on 17th October 2019. Data were weighted to be demographically representative of all GB adults. All questions were also weighted by 2017 past vote recall and EU Referendum past vote. ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

Q7. Would you agree or disagree with each of these statements about Extinction Rebellion?

Summary

Base: All respondents

	Statements							
	I agree with the aims and tactics of Extinction Rebellion	I agree that climate change is a major issue but I don't agree with Extinction Rebellion's tactics	Extinction Rebellion has done a good job raising awareness of the importance of climate change	Extinction Rebellion seems to be as much about campaigning against capitalism as it is about climate change	Extinction Rebellion campaigners were right to target commuters on London Underground as a way of delivering their message	Targeting commuters on London Underground as a way of campaigning over climate change is self-defeating and wrong	I believe that climate change threatens our extinction as a species	Celebrities should address their own high carbon footprints before telling ordinary people how to live their lives
