

## Electoral Reform Society, Scottish Representation Poll – 11 March 2021

*Savanta ComRes interviewed 1,009 Scottish adults online from the 5 to 10 March 2021. Data were weighted to be demographically representative of all Scottish adults by age, sex, region and past voting behaviour. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at [www.comresglobal.com](http://www.comresglobal.com).*

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact [info@comresglobal.com](mailto:info@comresglobal.com) or call +44 (0)20 7871 8660

Q1. To what extent do you feel that you do, or do not, have influence over the decisions that affect your local community? .....	1
BASE: All respondents	
Q2. Which of the following statements is closest to your view? .....	4
BASE: All respondents	
Q3. Which of the following statements is closest to your view? .....	7
BASE: All respondents	
Q4. Which of the following are reasons that you would not be willing to get involved? .....	10
BASE: All respondents not willing to give up their time or not sure	
Q5. Days per month: How many days per month would you be willing to give up to help your local council make decisions on local services and democracy? .....	13
BASE: All respondents willing to give up their time	
Q6_1. Local councils: A citizens' assembly is a group of people, chosen so they reflect the wider population, who are brought together to learn about and discuss an issue or issues and reach a conclusion about what they think should happen. To what extent do you think that citizens' assemblies would be more or less effective than each of the following in deciding on community priorities? .....	16
BASE: All respondents	
Q6_2. Scottish government: A citizens' assembly is a group of people, chosen so they reflect the wider population, who are brought together to learn about and discuss an issue or issues and reach a conclusion about what they think should happen. To what extent do you think that citizens' assemblies would be more or less effective than each of the following in deciding on community priorities? .....	19
BASE: All respondents	
Q7. To what extent do you believe that the decisions around how Scotland re-builds from the Covid-19 pandemic should be directed by local communities or directed by national government? By 'national government' here we mean the Scottish Government in Holyrood, rather than the UK Government in Westminster. ....	22
BASE: All respondents	
Q8. And thinking again about where decisions are made that affect local communities, to what extent do you believe that these decisions should be made at a local or national level? By 'national' here we mean Scotland, rather than the UK. ....	25
BASE: All respondents

## INSERT JH

**Q7. To what extent do you believe that the decisions around how Scotland re-builds from the Covid-19 pandemic should be directed by local communities or directed by national government? By 'national government' here we mean the Scottish Government in Holyrood, rather than the UK Government in Westminster.**
