

Fathers4Justice – Opinion Polling – June 2019

Methodology: ComRes interviewed 2,082 British adults online between 29th May and 9th June 2019. Data were weighted to be representative of British adults by age, gender and region. ComRes also interviewed 1,015 British fathers, weighted to be representative of British adults by age, gender and region, with all ineligible respondents removed. ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660.

To register for Pollwatch, featuring commentary and insight from the ComRes team, please email: pollwatch@comresglobal.com

Table 1
Q1. To what extent do you agree or disagree with the following statements?

Summary

Base: All respondents (Wave 4 only)

	Statements							
	Children should have equal access to their fathers and mothers after separation	Child support should include emotional as well as financial support	Family courts treat fathers as equally as mothers	Organisations like the Child Support Agency and Child Maintenance Service do not treat fathers as equally as mothers	Child benefits should be equally divided between fathers and mothers	Mothers who break court orders giving fathers access to their children should be prosecuted	Given that there is a Minister for Women and Equalities, there should be a Minister for Men	New fathers should have automatic parental responsibility, even if they are not married
