METHODOLOGY

Methodology: ComRes interviewed 2,014 British adults online from the 8th–10th November 2019. Data were weighted to be demographically representative of all GB adults. All questions were also weighted by 2017 past vote recall and EU Referendum past vote. Voting Intention is also weighted by likelihood to vote. ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com
