Summary
Base: All respondents

	Statements					
	The monarchy is good for the UK	The monarchy should be reduced in size	It is important for the Royals to be patrons of charities	I would prefer William to be the next monarch instead of Charles	The monarch should be stripped of the title 'Supreme Governor of the Church of England' so that the Royal family better reflects the diversity of the UK	When Prince Charles becomes King it will be acceptable for him to voice personal opinions on issues like climate change
