QCVIMQ17. Summary: While the UK government continues to assist people and businesses during the coronavirus pandemic some are suggesting that, once the crisis is over or sooner, the government will need to introduce new measures in order to generate income to offset the increased spending that it is incurring at the moment. To what extent do you support or oppose each of the following in order to stabilise these coronavirus-incurred debts?

QCVIMQ39. There has been recent media coverage of migrants travelling by dinghies and other small boats across the Channel from France to the UK. Some of this media coverage has included boats of journalists in the Channel sailing alongside migrants, commenting on their travel and asking them questions over the water. To what extent do you feel this coverage is appropriate or inappropriate?
