

Attitudes and Experiences of Women During the Covid-19 Pandemic, West Midland Women's Voice – 10 July 2020

Savanta ComRes interviewed 1,002 West Midlands women aged 18+ online between 23 June and 1 July 2020. Data were weighted to be representative of population by age, ethnicity, and sub-region. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com.

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660
