

INTERNET WATCH FOUNDATION – SURVEY OF 16–24 YEAR–OLD MALES

Methodology: ComRes interviewed 1,035 UK males online between 22nd May and 2nd June 2017. Data were weighted to be demographically representative of this age group by region and age. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660.

To register for Pollwatch, featuring commentary and insight from the ComRes team, please email: pollwatch@comresglobal.com

D2. How old are you?	1
D3. Where do you live?	6
D4. SEG	13
D5. What is the highest level of education you have achieved?	16
D6. How often, if at all, do you play sports?	20
D7. How often, if at all, do you watch sports? This could be either on television or attending a game.	23
Q1. Which of the following, if any, do you think are the biggest issues on the internet?	26
Q2. Which of the following, if any, have happened to you in the last 12 months?	29
Q3_SUM. From what you have noticed online, do you think the following problems have increased, decreased or stayed about the same over the last 12 months? SUMMARY TABLE	32
Q3_1. From what you have noticed online, do you think the following problems have increased, decreased or stayed about the same over the last 12 months? Sexting or sending nude selfies	33
Q3_2. From what you have noticed online, do you think the following problems have increased, decreased or stayed about the same over the last 12 months? Cyber bullying	36
Q3_3. From what you have noticed online, do you think the following problems have increased, decreased or stayed about the same over the last 12 months? Identity theft	39
Q3_4. From what you have noticed online, do you think the following problems have increased, decreased or stayed about the same over the last 12 months? Images showing sexual abuse of children online (sometimes known as child pornography)	42
Q3_5. From what you have noticed online, do you think the following problems have increased, decreased or stayed about the same over the last 12 months? Online grooming	45
Q3_6. From what you have noticed online, do you think the following problems have increased, decreased or stayed about the same over the last 12 months? Online shaming or revenge pornography (when you send nude or semi-nude sexual images or videos without consent)	48
Q4_SUM. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? SUMMARY TABLE	51
Q4_1. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Accidentally viewing child sexual abuse content online (sometimes known as child pornography), e.g. images or videos	53
Q4_2. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Deliberately watching child sexual abuse content online (sometimes known as child pornography) e.g. images or videos	56
Q4_3. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Uploading child sexual abuse content to the internet (sometimes known as child pornography), e.g. images or videos	59
Q4_4. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Deliberately watching adult pornography	62
Q4_5. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Uploading adult pornography to the internet	65
Q4_6. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Communicating in a sexual manner with someone under the age of 16	68
Q4_7. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Sexting or sending and receiving nude selfies with someone under the age of 18	71
Q4_8. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Sexting or sending and receiving nude selfies with someone over the age of 18	74
Q4_9. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Online shaming or revenge pornography (when you send nude or semi-nude sexual images without consent)	77
Q4_10. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Taking nude or semi-nude sexual images of your partner (aged 18+) with their consent	80
Q4_11. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Filming and uploading a photo or video of yourself performing a sexual act without anyone else involved	83
Q4_12. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Filming and uploading a photo or video of yourself performing a sexual act with others involved	86
Q4_13. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Filming and uploading a video of someone being physically attacked on the internet	89
Q4_14. For each of the following, which would you say are legal and which would you say are illegal for someone of your age? Filming and uploading a video of someone being verbally attacked on the internet	92
Q5. If you saw a video online of someone you know physically attacking someone, what, if anything, would you do?	95
Q6. If your 18-year-old friend was exchanging nude selfies with someone they later found out was under the age of 18, what, if anything, would you do?	101
Q7. If a friend tried to shame their 19-year-old ex-partner by sending you a sexually explicit image or video of their ex-partner and asked you to circulate it with more friends, what, if anything, would you do?	107
Q8. If you accidentally found images and videos showing sexual abuse of children online (sometimes known as child pornography) what, if anything, would you do?	113

J303080 Online issues among young men - Wave 2

Q9_SUM. How do you think your friends and family would react if you told them you had accidentally stumbled upon images and videos of sexual abuse of children online (sometimes known as child pornography)? SUMMARY TABLE	119
Q9_1. How do you think your friends and family would react if you told them you had accidentally stumbled upon images and videos of sexual abuse of children online (sometimes known as child pornography)? Friends	121
Q9_2. How do you think your friends and family would react if you told them you had accidentally stumbled upon images and videos of sexual abuse of children online (sometimes known as child pornography)? Family	127
Q10. What, if anything, do you think would happen if you accidentally stumbled upon images showing the sexual abuse of children online (sometimes known as child pornography) and you report it?	133
Q11. To the best of your knowledge, which of these statements, if any, do you think are true when it comes to reporting images and videos of sexual abuse of children online (sometimes known as child pornography) that have been found accidentally?	139
Q13. Which of these statements, if any, do you think is the best way to describe consent?	142
Q14. Have you ever heard of the Internet Watch Foundation (IWF)?	146
