J303498 RCGP GP study - Devolved Nations (Wave 2)

QCR1. Where do you currently work?	1
Base: All respondents	
QDNA1. And which NHS Board do you work within?	4
Base: All respondents (Scotland)	
QDN1B. And which Local Health Board do you work within?	10
Base: All respondents (Wales)	
QDN1C. And which Health and Social Care Trust do you work within?	13
Base: All respondents (Northern Ireland)	
QDN1D. How would you describe the local area in which you work?	16
Base: All respondents	
QCR4. How would you describe your current role?	19
Base: All respondents	
QDN2. Approximately how many sessions per week do you work as a GP in your practice? If you don't know the exact number, please give your best estimate. If your practice operates as part of a group of practices, please answer based on your practice only.	22
Base: All those who do not work only in out of hours services	
QCR5. In the last year, have you returned to work as a GP after a break of two years or more not working as a GP in the UK or not working as a GP at all?	28
Base: All respondents	
QCR6. Approximately how many patients are registered at the practice where you work? If you don't know the exact number, please give your best estimate. If your practice operates as part of a group of practices, please answer based on your practice only.	31
Base: All those who do not work only in out of hours services	
QDCRD5. Which of the following aspects, if any, motivates you most about working in general practice?	34
Base: All respondents	
QCP1. How satisfied or dissatisfied are you with the service your practice is currently able to provide to patients?	37
Base: All those who do not work only in out of hours services	
QCP9. Thinking about working at the interface between primary and secondary care, which of the following do you think would make the most positive difference, if any?	40
Base: All respondents	
QFT1_SUM. Thinking about the future, how likely or unlikely are you to be working in general practice in Scotland/Wales/Northern Ireland in each of the following time frames? SUMMARY TABLE	46
Base: All respondents	
QFT1_1. Thinking about the future, how likely or unlikely are you to be working in general practice in Scotland/Wales/Northern Ireland in each of the following time frames? In one year	47
Base: All respondents	
QFT1_2. Thinking about the future, how likely or unlikely are you to be working in general practice in Scotland/Wales/Northern Ireland in each of the following time frames? In two years	50
Base: All respondents	
QFT1_3. Thinking about the future, how likely or unlikely are you to be working in general practice in Scotland/Wales/Northern Ireland in each of the following time frames? In five years	53
Base: All respondents	
QFT2. You said that you are likely to still be working in general practice in Scotland/Wales/Northern Ireland in one year. Do you think you will be working the same hours, reduced hours, or increased hours compared with what you do now?	56
Base: All who are likely to be working in general practice in Scotland/Wales/Northern Ireland in one year	
QFT3. You said that you are unlikely to still be working in general practice in Scotland/Wales/Northern Ireland in one/ two/ five years. Which of the following reasons, if any, make it unlikely that you will be working in general practice in ...?	59
Base: All who are unlikely to be working in general practice in the near future	
QDN8. Looking to the future, what would be your preferred employment status as a GP in five years?	65
Base: All respondents (Northern Ireland)	
QDN9. As alternative models of delivering GP care are explored, how important is it for the primary care team to remain based within a GP practice?	68
Base: All respondents (Scotland)	
QFT6. Thinking about working in general practice overall over the next few years do you expect it to...?	71
Base: All respondents	

J303498 RCGP GP study - Devolved Nations (Wave 2)

QFT7. Why do you say that you think general practice overall will get worse over the next few years?	74
Base: All who think general practice will get worse over the next few years	
QDN10. How does the cost of indemnity affect the amount of time you are prepared to commit to general practice?	89
Base: All respondents (Wales)	
QFT9. Thinking about the practice where you work, how likely or unlikely do you think it is that it will close in the next year? Please only think about how likely or unlikely it is that your practice will close, and not whether it will merge with other practices or become part of a grouping of practices	92
Base: All those who do not work only in out of hours services	
QFT10. How financially sustainable, if at all, do you think it is to run a general practice currently?	95
Base: All respondents	
QFT11. You have said that you do not think that it is financially sustainable to run a general practice currently. Which, if any, of the following things have led you to say that general practice is not financially sustainable?	98
Base: All who do not think it is financially sustainable to run a general practice currently	
QIV3. Thinking about general practice overall, to what extent, if at all, do you think the funding available from all sources is adequate?	102
Base: All selected	
QIV3a. Thinking about general practice overall, to what extent, if at all, do you think the funding available from all sources is enough?	105
Base: All selected	
QWF1a_SUM. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? SUMMARY TABLE	108
Base: All those who do not work only in out of hours services	
QWF1a_1. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? GP	109
Base: All those who do not work only in out of hours services	
QWF1a_2. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Practice nurse	114
Base: All those who do not work only in out of hours services	
QWF1a_3. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Other clinical roles	119
Base: All those who do not work only in out of hours services	
QWF1a_4. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Practice managers	124
Base: All those who do not work only in out of hours services	
QWF1a_5. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Receptionists	129
Base: All those who do not work only in out of hours services	
QWF1b_SUM. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? SUMMARY TABLE	134
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF1b_1. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? GP	135
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF1b_2. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Practice nurse	140
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF1b_3. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Other clinical roles	144
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF1b_4. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Practice managers	148
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF1b_5. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Receptionists	152
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QDN6a. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to secure locum cover when needed?	156
Base: All respondents (Wales and Northern Ireland)	
QWF2. Thinking about the practice where you work, are there currently any GP vacancies that have been open for more than three months?	160
Base: All those who do not work only in out of hours services	
QDN11. Who should be the employers of core clinical staff in general practice?	163

Online and CATI Fieldwork: 3rd August - 17th September 2017

Prepared by ComRes

J303498 RCGP GP study - Devolved Nations (Wave 2)

Base: All respondents (Scotland)

QWL1_SUM. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? SUMMARY TABLE	166
Base: All respondents	
QWL1_SUM. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? SUMMARY TABLE	168
Base: All respondents (excl Don't knows)	
QWL1_1. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? In consultation with a patient (face to face in surgery or home visit, or by telephone)	170
Base: All respondents	
QWL1_2. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? Administrative tasks relating to patients (dealing with correspondence, investigations, etc)	176
Base: All respondents	
QWL1_3. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? Meetings (internal or external)	182
Base: All respondents	
QWL1_4. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? Other administration (practice related or local/regional/national)	188
Base: All respondents	
QWL1_5. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? Professional development activity (mandatory or optional training, courses, personal study)	194
Base: All respondents	
QWL1_6. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? Taking a break	200
Base: All respondents	
QWL1_7. Thinking about a normal week at work, approximately what percentage of your time do you spend on the following activities? Other activities	206
Base: All respondents	
QWL2_SUM. And how often, if at all, do each of the following happen? SUMMARY TABLE	212
Base: All respondents	
QWL2_1. And how often, if at all, do each of the following happen? I take breaks of 10 minutes or more	213
Base: All respondents	
QWL2_2. And how often, if at all, do each of the following happen? I am so stressed that I feel that I cannot cope	216
Base: All respondents	
QWL2_3. And how often, if at all, do each of the following happen? I work longer than my contracted hours	219
Base: All respondents	
QWL3. Which of the following steps, if any, is your practice currently taking, or has previously taken, to try to reduce GP workload?	222
Base: All those who do not work only in out of hours services	
QDN7. Do you currently work any sessions in out of hours services?	228
Base: All respondents	
QDDN8. You said that you do not currently work any out of hours sessions. Which of the following, if any, are reasons for this?	231
Base: All those who do not work any sessions in out of hours services	
QIF1. Which of the following, if any, best describes the size of your practice building?	234
Base: All those who do not work only in out of hours services	
QIF2. Which of the following, if any, best describes how suitable your practice building is for providing high quality patient care?	237
Base: All those who do not work only in out of hours services	
QBR1. To what extent, if at all, do you think Britain leaving the EU will have an impact on your practice?	240
Base: All those who do not work only in out of hours services	
QBR2a_SUM. Thinking about the practice where you work, please state how many GPs and nurses are employed? SUMMARY TABLE	243
Base: All those who do not work only in out of hours services	
QBR2a_1. Thinking about the practice where you work, please state how many GPs and nurses are employed? GPs	244
Base: All those who do not work only in out of hours services	

J303498 RCGP GP study - Devolved Nations (Wave 2)

QBR2a_2. Thinking about the practice where you work, please state how many GPs and nurses are employed? Practice Nurses	250
Base: All those who do not work only in out of hours services	
QBR2b_SUM. And how many GPs and nurses are employed in each of the following groups? SUMMARY TABLE	256
Base: All those who do not work only in out of hours services	
QBR2b_1. And how many GPs and nurses are employed in each of the following groups? UK nationals GPs	258
Base: All those who do not work only in out of hours services	
QBR2b_2. And how many GPs and nurses are employed in each of the following groups? Non-UK EU nationals GPs	264
Base: All those who do not work only in out of hours services	
QBR2b_3. And how many GPs and nurses are employed in each of the following groups? Non-EU nationals GPs	270
Base: All those who do not work only in out of hours services	
QBR2b_4. And how many GPs and nurses are employed in each of the following groups? UK nationals Practice Nurses	276
Base: All those who do not work only in out of hours services	
QBR2b_5. And how many GPs and nurses are employed in each of the following groups? Non-UK EU nationals Practice Nurses	282
Base: All those who do not work only in out of hours services	
QBR2b_6. And how many GPs and nurses are employed in each of the following groups? Non-EU nationals Practice Nurses	288
Base: All those who do not work only in out of hours services	
QBR2c_1. And how many GPs and nurses are employed in each of the following groups as a percentage of overall employed? UK nationals GPs	294
Base: All with employed GPs in their practice	
QBR2c_2. And how many GPs and nurses are employed in each of the following groups as a percentage of overall employed? Non-UK EU nationals GPs	300
Base: All with employed GPs in their practice	
QBR2c_3. And how many GPs and nurses are employed in each of the following groups as a percentage of overall employed? Non-EU nationals GPs	306
Base: All with employed GPs in their practice	
QBR2c_4. And how many GPs and nurses are employed in each of the following groups as a percentage of overall employed? UK nationals Practice Nurses	312
Base: All with employed Practice Nurses in their practice	
QBR2c_5. And how many GPs and nurses are employed in each of the following groups as a percentage of overall employed? Non-UK EU nationals Practice Nurses	318
Base: All with employed Practice Nurses in their practice	
QBR2c_6. And how many GPs and nurses are employed in each of the following groups as a percentage of overall employed? Non-EU nationals Practice Nurses	324
Base: All with employed Practice Nurses in their practice	
QBR3. To what extent, if at all, are you concerned about recruitment and retention of GPs and nurses as a result of Britain leaving the EU?	330
Base: All respondents	
QD1. Which of the following describes how you think of yourself?	333
Base: All respondents	
QD3. In which age band do you fall?	336
Base: All respondents

QDN2. Approximately how many sessions per week do you work as a GP in your practice? If you don't know the exact number, please give your best estimate.

If your practice operates as part of a group of practices, please answer based on your practice only.

Base: All those who do not work only in out of hours services

QCR6. Approximately how many patients are registered at the practice where you work?

If you don't know the exact number, please give your best estimate.

If your practice operates as part of a group of practices, please answer based on your practice only.

Base: All those who do not work only in out of hours services

QFT9. Thinking about the practice where you work, how likely or unlikely do you think it is that it will close in the next year?

Please only think about how likely or unlikely it is that your practice will close, and not whether it will merge with other practices or become part of a grouping of practices

Base: All those who do not work only in out of hours services

	Total	FINANCIALLY SUSTAINABLE TO RUN A GENERAL PRACTICE		WORK OUT OF HOURS SESSIONS		LIKELIHOOD OF WORKING IN GENERAL PRACTICE IN THE FUTURE
