

Leonard Cheshire: 2018 Survey of Disabled Adults, Transport data

Methodology: Savanta ComRes interviewed 1,609 disabled adults in the UK, aged between 18 and 65, from 15th June to 10th July 2018. Data were weighted by age, gender and region to be nationally representative of disabled adults of working age in the UK. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.
