

ROYAL COLLEGE OF GENERAL PRACTITIONERS GPs SURVEY

Methodology: ComRes interviewed 127 GPs in Northern Ireland online and by telephone between 16th August – 26th September 2018. Data were not weighted. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

For information about commissioning research please contact andrew.hawkins@comresglobal.com or call +44 (0)20 7871 8660.

J303498 RCGP GP study - Northern Ireland (Wave 3)

QDN1C. And which Health and Social Care Trust do you work within? Base: All respondents	1
QDN1D. How would you describe the local area in which you work? Base: All respondents	5
QCR4. How would you describe your current role? Base: All respondents	9
QDN2. Approximately how many sessions per week do you work as a GP in your practice? If you don't know the exact number, please give your best estimate. If your practice operates as part of a group of practices, please answer based on your practice only. Base: All those who do not work only in out of hours services	13
QCR5. In the last year, have you returned to work as a GP after a break of two years or more, not working as a GP in the UK or not working as a GP at all? Base: All respondents	17
QCR6. Approximately how many patients are registered at the practice where you work? If you don't know the exact number, please give your best estimate. If your practice is part of a federation please answer based on your practice only. Base: All those who do not work only in out of hours services	21
QDCRD5. Which of the following aspects, if any, motivates you most about working in general practice? Base: All respondents	25
QFT1_SUM. Thinking about the future, how likely or unlikely are you to be working in general practice in Northern Ireland in each of the following time frames? SUMMARY TABLE Base: All respondents	29
QFT1_1. Thinking about the future, how likely or unlikely are you to be working in general practice in Northern Ireland in each of the following time frames? In one year Base: All respondents	30
QFT1_2. Thinking about the future, how likely or unlikely are you to be working in general practice in Northern Ireland in each of the following time frames? In two years Base: All respondents	34
QFT1_3. Thinking about the future, how likely or unlikely are you to be working in general practice in Northern Ireland in each of the following time frames? In five years Base: All respondents	38
QFT2. You said that you are likely to still be working in general practice in Northern Ireland in one year. Do you think you will be working the same hours, reduced hours, or increased hours compared with what you do now? Base: All who are likely to be working in general practice in Northern Ireland in one year	42
QFT3. You said that you are unlikely to still be working in general practice in Northern Ireland in one/ two/ five years. Which of the following reasons, if any, make it unlikely that you will be working in general practice in one/ two/ five years. Base: All who are unlikely to be working in general practice in the near future	46
QFT4. How likely or unlikely are you to consider becoming a GP partner at some point in your career? Base: All those who are not currently a GP partner and who are likely to still be working in general practice in a year	53
QDN8. Looking to the future, what would be your preferred employment status as a GP in five years? Base: All respondents	57
QFT6. Thinking about working in general practice overall over the next few years do you expect it to...? Base: All respondents	61
QFT7. Why do you say that you think general practice overall will get worse over the next few years? Base: All who think general practice will get worse over the next few years	65
QFT7. Why do you say that you think general practice overall will get worse over the next few years? Base: All who think general practice will get worse over the next few years	81
QFT9. Thinking about the practice where you work, how likely or unlikely do you think it is that it will close in the next year? Please only think about how likely or unlikely it is that your practice will close, and not whether it will merge with other practices or become part of a federation Base: All those who do not work only in out of hours services	99
QFT10. How financially sustainable, if at all, do you think it is to run a general practice currently? Base: All respondents	103
QFT11. You have said that you do not think that it is financially sustainable to run a general practice currently. Which, if any, of the following things have led you to say that general practice is not financially sustainable? Base: All who do not think it is financially sustainable to run a general practice currently	107
QIV3a. Thinking about general practice overall, to what extent, if at all, do you think the funding available from all sources is enough? Base: All respondents	111
QWF1a_SUM. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? SUMMARY TABLE Base: All those who do not work only in out of hours services	115

J303498 RCGP GP study - Northern Ireland (Wave 3)

QWF1a_1. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? GP	116
Base: All those who do not work only in out of hours services	
QWF1a_2. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Practice nurse	120
Base: All those who do not work only in out of hours services	
QWF1b_SUM. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? SUMMARY TABLE	124
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF1b_1. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? GP	125
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF1b_2. Thinking about the practice where you work, how easy or difficult would you say it has been over the past year to recruit each of the following positions? Practice nurse	129
Base: All those who do not work only in out of hours services and who have been involved in recruiting for position in past year	
QWF2. Thinking about the practice where you work, are there currently any GP vacancies that have been open for more than three months?	133
Base: All those who do not work only in out of hours services	
QWF6. Please indicate which, if any, of the below you have access to for patients at your practice. By 'access', we mean the practice where you work has access to the services of somebody in this role for the benefit of patients. The staff may not be directly employed by the practice, but could be, and may work across several practices. This could also include access for patients at your practice via a self-referral service.	137
Base: All respondents	
QWF7_SUM. And how would you rate your access to these members of staff? SUMMARY TABLE	141
Base: All those whose practice has additional services available to patients	
QWF7_1. And how would you rate your access to these members of staff? General practice nurse	142
Base: All those whose practice has additional services available to patients	
QWF7_2. And how would you rate your access to these members of staff? Advanced Nurse Practitioner	146
Base: All those whose practice has additional services available to patients	
QWF7_3. And how would you rate your access to these members of staff? Medical or healthcare assistant	150
Base: All those whose practice has additional services available to patients	
QWF7_4. And how would you rate your access to these members of staff? Physician associate	154
Base: All those whose practice has additional services available to patients	
QWF7_5. And how would you rate your access to these members of staff? Clinical pharmacist	158
Base: All those whose practice has additional services available to patients	
QWF7_6. And how would you rate your access to these members of staff? Paramedic	162
Base: All those whose practice has additional services available to patients	
QWF7_7. And how would you rate your access to these members of staff? Mental health therapist	166
Base: All those whose practice has additional services available to patients	
QWF7_8. And how would you rate your access to these members of staff? Physiotherapist	170
Base: All those whose practice has additional services available to patients	
QWF7_9. And how would you rate your access to these members of staff? Occupational therapist	174
Base: All those whose practice has additional services available to patients	
QWL2_SUM. Thinking about a normal week at work, how often, if at all, do each of the following happen? SUMMARY TABLE	178
Base: All respondents	
QWL2_1. Thinking about a normal week at work, how often, if at all, do each of the following happen? I take breaks of 10 minutes or more	179
Base: All respondents	
QWL2_2. Thinking about a normal week at work, how often, if at all, do each of the following happen? I am so stressed that I feel that I cannot cope	183
Base: All respondents	
QWL2_3. Thinking about a normal week at work, how often, if at all, do each of the following happen? I work longer than my contracted hours	187
Base: All respondents	
QWL3. Which of the following steps, if any, is your practice currently taking, or has previously taken, to try to reduce GP workload?	191
Base: All those who do not work only in out of hours services	
QDN7. Do you currently work any sessions in out of hours services?	199
Base: All respondents	

J303498 RCGP GP study - Northern Ireland (Wave 3)

QDN7a. You said that you do not currently work any out of hours sessions. Which of the following, if any, are reasons for this?	203
Base: All those who do not work in out of hours services	
QWL6_SUM. Thinking about working as a GP during winter months, to what extent do you agree or disagree with the following statements? SUMMARY TABLE	207
Base: All respondents	
QWL6_1. Thinking about working as a GP during winter months, to what extent do you agree or disagree with the following statements? It feels like increasing numbers of patients are seeing their GP every winter	208
Base: All respondents	
QWL6_2. Thinking about working as a GP during winter months, to what extent do you agree or disagree with the following statements? I feel that my workload increases in winter compared to other times of the year	212
Base: All respondents	
QWL6_3. Thinking about working as a GP during winter months, to what extent do you agree or disagree with the following statements? I am concerned that my workload will negatively affect my ability to provide care for my patients this coming winter	216
Base: All respondents	
QWL6_4. Thinking about working as a GP during winter months, to what extent do you agree or disagree with the following statements? There is enough information available to patients about what to do if they feel unwell in winter	220
Base: All respondents	
QWL6_5. Thinking about working as a GP during winter months, to what extent do you agree or disagree with the following statements? My patients understand that it can be harder to get a GP appointment in winter	224
Base: All respondents	
QDN16. Thinking about an average week, how many hours would you say that you spend on physical activity? By this we mean activities that you take part in outside of work which involve physical exertion or exercise (e.g. sports, gardening, swimming)	228
Base: All respondents	
QIF4. Which of the following, if any, are used at the practice where you work?	232
Base: All those who do not work only in out of hours services	
QD1. Which of the following describes how you think of yourself?	236
Base: All respondents	
QD3. In which age band do you fall?	240
Base: All respondents	

J303498 RCGP GP study - Northern Ireland (Wave 3)

QDN1C. And which Health and Social Care Trust do you work within?

QWF6. Please indicate which, if any, of the below you have access to for patients at your practice. By 'access', we mean the practice where you work has access to the services of somebody in this role for the benefit of patients. The staff may not be directly employed by the practice, but could be, and may work across several practices. This could also include access for patients at your practice via a self-referral service.

QWF6. Please indicate which, if any, of the below you have access to for patients at your practice. By 'access', we mean the practice where you work has access to the services of somebody in this role for the benefit of patients. The staff may not be directly employed by the practice, but could be, and may work across several practices. This could also include access for patients at your practice via a self-referral service.
