Summary

Base: All respondents

	Statements					
	Churches and chapels are an important part of the UK's heritage and history	Church buildings play an important role for society by providing a space for community activities, such as playgroups, cultural and social events and meetings	It is important that churches and chapels have good access and modern facilities such as toilets to make it easier for people to use them	Repairing and restoring historic church buildings only benefits churchgoers	I would be concerned if my local church or chapel building was no longer there	My local church or chapel does not play a large role in supporting people in my community
