

ONE

METHODOLOGY NOTE

ComRes interviewed 2,004 British adults by telephone between the 20th and 22nd March 2015. Data were weighted to be nationally representative of all British adults aged 18+. ComRes is a member of the British Polling Council and abides by its rules. All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

UK Aid Opinion Poll

Fieldwork : 20th - 22nd March 2015

Absolutes/col percents

Table 1

Q1. Thinking about the UK's international aid, to what extent do you agree or disagree with each of the following statements ...

- Summary

Base: All respondents

| | | Q1. Summary | | | | | |
|--------------------|-----|--|---|---|--|---|---|
| | | The majority of UK aid should be targeted towards the least developed countries | UK aid should be focused on helping people work their own way out of poverty | UK aid should be focused on tackling preventable diseases such as malaria, Ebola and HIV/ AIDS | Focusing UK aid on helping women and girls will improve the lives of everyone in developing countries | MPs should ensure that the UK keeps its promises to help the world's poorest people | Poverty is sexist as women and girls suffer disproportionat ely from the effects of poverty in the least developed countries |
