

REPUTATION COMMUNICATIONS – OVERSEAS AID CHARITIES

Methodology: ComRes surveyed 2,013 British adults aged 18+ between 23rd and 25th February 2018. Data has been weighted to be representative of British adults aged 18+ by age, gender, region and social grade. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660.

Overseas Aid Poll

ONLINE Fieldwork: 23rd - 25th February 2018

Absolutes/col percents

Table 1
Q.1 The UK Government currently has a target that 0.7% of GNI (Gross National Income) should be spent annually on overseas aid. In 2016 the UK Government spent £13.4 billion on overseas aid, in line with the 0.7% target.
Considering recent news stories involving the behaviour of Oxfam and Save the Children staff, should the UK Government continue to commit to spending 0.7% of GNI on overseas aid annually?
