Resolution – Family Dispute Resolution Week 2015

METHODOLOGY NOTE

ComRes interviewed 514 young people aged 14 – 22 with personal experience of parental divorce or separation from a long-term cohabiting relationship over a year ago between the 20th August and 20th September 2015. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock: katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

Resolution - Family Dispute Resolution Week 2015

D1. How old are you? 1
Base: All young people with experience of parental separation or divorce

D2. Are you...? 3
Base: All young people with experience of parental separation or divorce

D3. Which of the following best describes where you live? 5
Base: All young people with experience of parental separation or divorce

S4. Please indicate to which occupational group the chief income earner in your household belongs, or which group fits best. 9
Base: All young people with experience of parental separation or divorce

SEG Recode 15
Base: All young people with experience of parental separation or divorce

D4. Which, if any, of the following are you doing at the moment? 17
Base: All young people with experience of parental separation or divorce

D5. Do you have any siblings? 19
Base: All young people with experience of parental separation or divorce

D6. Which, if any, of the following statements apply to you? 21
Base: All young people with experience of parental separation or divorce

D7. How long have your parents been separated or divorced? 23
Base: All young people with experience of parental separation or divorce

Q1_1. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? My parents made sure I was part of the decision making about their separation or divorce. 25
Base: All young people with experience of parental separation or divorce

Q1_2. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? I felt loved and cared for by both parents during their separation or divorce. 27
Base: All young people with experience of parental separation or divorce

Q1_3. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? One parent tried to turn me against the other. 29
Base: All young people with experience of parental separation or divorce

Q1_4. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? I sometimes felt like the separation or divorce was my fault. 31
Base: All young people with experience of parental separation or divorce

Q1_5. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? My parents gave me conflicting information about their separation or divorce. 33
Base: All young people with experience of parental separation or divorce

Q1_6. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? My parents sometimes argued in front of me or in a place I could see (e.g. on social media) about their separation or divorce. 35
Base: All young people with experience of parental separation or divorce

Q1_7. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? I didn't understand what was happening during my parents' separation or divorce. 37
Base: All young people with experience of parental separation or divorce

Q1_8. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? During my parents' separation or divorce I worried about what we would do for money. 39
Base: All young people with experience of parental separation or divorce

Q1_9. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? I felt like my parents put my needs first during their separation or divorce. 41
Base: All young people with experience of parental separation or divorce

Q1_10. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? One or both of my parents blamed the other one for the separation or divorce in front of me. 43
Base: All young people with experience of parental separation or divorce

Q1_11. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? My parents' separation or divorce did not affect the extent to which they supported me (for example, in my school, college or university work). 45
Base: All young people with experience of parental separation or divorce

Resolution - Family Dispute Resolution Week 2015

Q1_12. To what extent do you agree or disagree with each of the following statements about your parents' separation or divorce? Despite my feelings at the time, I'd rather my parents separated or divorced than stayed together if they were unhappy. 47
Base: All young people with experience of parental separation or divorce

Q1_SUM. To what extent do you agree or disagree with each of the following statements about your parents separation or divorce? SUMMARY TABLE 49
Base: All young people with experience of parental separation or divorce

Q2_1. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? I felt like my wishes and feelings were taken into account about where I would live after my parents' separation or divorce. 51
Base: All young people with experience of parental separation or divorce

Q2_2. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? I felt like my wishes and feelings were taken into account about how much contact I would have with each parent after my parents' separation or divorce. 53
Base: All young people with experience of parental separation or divorce

Q2_3. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? I wish my parents had explained to me what would happen after their separation or divorce. 55
Base: All young people with experience of parental separation or divorce

Q2_4. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? My parents thoroughly explained to me what would happen after their separation or divorce. 57
Base: All young people with experience of parental separation or divorce

Q2_5. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? I wasn't sure where I would live after my parents went through their separation or divorce. 59
Base: All young people with experience of parental separation or divorce

Q2_6. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? I did not have any say in where I would live after my parents' separation or divorce. 61
Base: All young people with experience of parental separation or divorce

Q2_7. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? I did not have any say as to which parent I would live with after my parents' separation or divorce. 63
Base: All young people with experience of parental separation or divorce

Q2_SUM. Thinking about the decision-making process during your parents' separation or divorce, to what extent do you agree or disagree with each of the following statements? SUMMARY TABLE 65
Base: All young people with experience of parental separation or divorce

Q3. Thinking about your siblings, did one of you have more of a say over where you lived after your parents' separation or divorce, or was it about equal? 67
Base: All young people with siblings

Q4_1. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Making sure children are part of the decision making process about their parents' separation or divorce. 69
Base: All young people with experience of parental separation or divorce

Q4_2. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Making sure children feel loved and cared for during their parents' separation or divorce. 71
Base: All young people with experience of parental separation or divorce

Q4_3. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Making sure children do not feel like they have to choose between their parents. 73
Base: All young people with experience of parental separation or divorce

Q4_4. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Making sure children do not feel that the separation or divorce was their fault. 75
Base: All young people with experience of parental separation or divorce

Q4_5. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Making sure children fully understand what will happen after their parents' separation or divorce. 77
Base: All young people with experience of parental separation or divorce

Q4_6. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Not arguing in front of children, or in a place their children could see (e.g.

Resolution - Family Dispute Resolution Week 2015

on social media) about their parents' separation or divorce. 79
Base: All young people with experience of parental separation or divorce

Q4_7. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Making sure children do not worry about what they will do for money, after their parents' separation or divorce. 81
Base: All young people with experience of parental separation or divorce

Q4_8. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Not blaming the other parent for the separation or divorce. 83
Base: All young people with experience of parental separation or divorce

Q4_9. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? Continue to support children (for example, in their school, college or university work). 85
Base: All young people with experience of parental separation or divorce

Q4_SUM. How important or otherwise would you say each of the following are for parents who are going through a separation or divorce to do in relation to their children? SUMMARY TABLE 87
Base: All young people with experience of parental separation or divorce

Q5_1. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Mum. 89
Base: All young people with experience of parental separation or divorce

Q5_2. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Dad. 91
Base: All young people with experience of parental separation or divorce

Q5_3. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Siblings. 93
Base: All young people with experience of parental separation or divorce

Q5_4. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Grandparents. 95
Base: All young people with experience of parental separation or divorce

Q5_5. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Extended family, such as aunties, uncles and cousins. 97
Base: All young people with experience of parental separation or divorce

Q5_6. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? My family situation overall. 99
Base: All young people with experience of parental separation or divorce

Q5_1. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Mum. 101
Base: All excluding not applicable

Q5_2. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Dad. 103
Base: All excluding not applicable

Q5_3. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Siblings. 105
Base: All excluding not applicable

Q5_4. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Grandparents. 107
Base: All excluding not applicable

Q5_5. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? Extended family, such as aunties, uncles and cousins. 109
Base: All excluding not applicable

Q5_6. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? My family situation overall. 111
Base: All excluding not applicable

Q5_SUM. Thinking about your relationships with family members, are these better, worse or about the same as before your parents separated or divorced? SUMMARY TABLE 113
Base: All young people with experience of parental separation or divorce

Q6. If you could change any of the following things about your parents' separation or divorce, which would you most like to change? 114
Base: All young people with experience of parental separation or divorce

Resolution - Family Dispute Resolution Week 2015
