

# THE ROYAL PHARMACEUTICAL SOCIETY – ANTIBIOTIC RESISTANCE SURVEY

Methodology: ComRes interviewed 2,002 GB adults online between 9th and 10th August 2017. Data were weighted by age, gender, region and socio-economic grade to be demographically representative of all GB adults. ComRes is a member of the British Polling Council and abides by its rules.

*All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.*

For information about commissioning research please contact [andrew.hawkins@comresglobal.com](mailto:andrew.hawkins@comresglobal.com) or call +44 (0)20 7871 8670.
