

## Scope, Disability Polling – April 2020

*Methodology: Savanta ComRes interviewed 585 disabled people aged 18+ in the UK online from the 17th to 20<sup>th</sup> April 2020. This sample fell out naturally via a larger sample 2,025 UK adults aged 18+ demographically representative of UK adults by age, gender, region and social grade. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at [www.comresglobal.com](http://www.comresglobal.com)*

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact [info@comresglobal.com](mailto:info@comresglobal.com) or call +44 (0)20 7871 8660
