## The Scout Association - Survey of Young People

**Q. How often, if at all, do you participate in social action activities? By social action activities we mean giving up your time to do something that will help others whilst also learning and developing yourself. For example, teaching digital skills to older people, mentoring young people or improving local spaces for others to enjoy.**

Base: All young people

## The Scout Association - Survey of Young People

**Q. If the opportunity was available to you, how many hours a month, if any, would you be willing to spend to help tackle a social issue in your local community? For example, this could include things like helping in kitchens for the homeless and teaching digital skills to older people.**

Base: All young people

## The Scout Association - Survey of Young People

**Q. If the opportunity was available to you, how many hours a month, if any, would you be willing to spend to help tackle a social issue in your local community? For example, this could include things like helping in kitchens for the homeless and teaching digital skills to older people.**

Base: All young people
