

SHELTER – PUBLIC PERCEPTIONS OF HOUSING AND MENTAL HEALTH

Methodology: ComRes interviewed 3,509 English adults online between 17th and 23rd February 2017. Data were weighted by age, gender, region and socio-economic grade to be representative of all English adults. ComRes is a member of the British Polling Council and abides by its rules.

***Please note on certain tables, figures have been rebased and filtered as per the base wording.**

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

For information about commissioning research please contact simon.carter@comresglobal.com or call +44 (0)20 7871 8660.
