

STATES OF JERSEY – LOCAL POLL

Methodology: ComRes interviewed 1,000 residents of Jersey aged 18+ over the phone between 12th and 22nd February 2018. Data were weighted to be demographically representative of all residents of Jersey aged 18+ by age, gender and parish region. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.
