

## Teach First, STEMinism and New Year career-changers public omni – December 2019

*Methodology: Savanta ComRes interviewed 2,041 British adults aged 18+ online between 11th and 12th December 2019. Data were weighted to be nationally representative of all British adults by key demographics including age, gender, region and social grade. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at [www.comresglobal.com](http://www.comresglobal.com)*

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.
