Q29. Do you currently coach tennis to disabled people?	1
Base: All respondents	
Q30. In which of the following formats, if any, do you coach tennis to disabled people?	2
Base: All who currently coach disabled people	
Q31. For which of the following reasons, if any, do you coach tennis to disabled people?	3
Base: All who currently coach disabled people	
Q32_SUM. What impact, if any, do you think coaching tennis to disabled people has on each of the following for you personally? SUMMARY TABLE	4
Base: All who currently coach disabled people	
Q32_1. What impact, if any, do you think coaching tennis to disabled people has on each of the following for you personally? Your wellbeing	5
Base: All who currently coach disabled people	
Q32_2. What impact, if any, do you think coaching tennis to disabled people has on each of the following for you personally? Meeting likeminded people	6
Base: All who currently coach disabled people	
Q32_3. What impact, if any, do you think coaching tennis to disabled people has on each of the following for you personally? Your ability as a coach generally	7
Base: All who currently coach disabled people	
Q32_4. What impact, if any, do you think coaching tennis to disabled people has on each of the following for you personally? Ability to share best practice with other coaches	8
Base: All who currently coach disabled people	
Q32_5. What impact, if any, do you think coaching tennis to disabled people has on each of the following for you personally? Increased involvement with the disabled community	9
Base: All who currently coach disabled people	
Q32_6. What impact, if any, do you think coaching tennis to disabled people has on each of the following for you personally? Connection with other coaches working with disabled people	10
Base: All who currently coach disabled people	
Q33_SUM. How confident or otherwise would you feel coaching tennis to each of the following people? SUMMARY TABLE	11
Base: All respondents	
Q33_1. How confident or otherwise would you feel coaching tennis to each of the following people? Person with a physical impairment (e.g. wheelchair user, amputee dwarfism, etc.)	12
Base: All respondents	
Q33_2. How confident or otherwise would you feel coaching tennis to each of the following people? Person with a learning disability	13
Base: All respondents	
Q33_3. How confident or otherwise would you feel coaching tennis to each of the following people? Person with a hearing impairment	14
Base: All respondents	
Q33_4. How confident or otherwise would you feel coaching tennis to each of the following people? Person with a behavioural condition (e.g. ADHD)	15
Base: All respondents	
Q33_5. How confident or otherwise would you feel coaching tennis to each of the following people? Person with a mental health condition	16
Base: All respondents	
Q33_6. How confident or otherwise would you feel coaching tennis to each of the following people? Person with a visual impairment (e.g. blind or partially sighted)	17
Base: All respondents	
Q34_SUM. What impact, if any, do you think coaching tennis has on each of the following for participants? SUMMARY TABLE	18
Base: All respondents	
Q34_1. What impact, if any, do you think coaching tennis has on each of the following for participants? Their day-to-day happiness	19
Base: All respondents	
Q34_2. What impact, if any, do you think coaching tennis has on each of the following for participants? Their levels of fitness	20
Base: All respondents	
Q34_3. What impact, if any, do you think coaching tennis has on each of the following for participants? Their sense of self-confidence	21
Base: All respondents	
Q34_4. What impact, if any, do you think coaching tennis has on each of the following for participants? Their social support network	22
Base: All respondents	
Q35. What, if anything, do you think are the best ways to improve disabled players' experience of tennis sessions?	23
Base: All respondents	
Q36a. Which of the following statements comes closest to your opinion?	24

Tennis Foundation Disability Tennis Research - Coaches

Base: All respondents	
Q36b. Which of the following statements comes closest to your opinion?	25
Base: All respondents	
Q37. Prior to this survey, how aware were you of the Tennis Foundation?	26
Base: All respondents	
Q38. Which of the following, if any, do you think the Tennis Foundation works to achieve?	27
Base: All those who have heard of the Tennis Foundation	
Q39. As far as you are aware, are any of the clubs or venues which you coach at supported by the Tennis Foundation?	28
Base: All respondents	
Q40a. To what extent, if at all, would you describe the Tennis Foundation in terms of support?	29
Base: All those who know about the Tennis Foundation	
Q40b. To what extent, if at all, would you describe the Tennis Foundation in terms of organisation?	30
Base: All those who know about the Tennis Foundation	
Q40c. To what extent, if at all, would you describe the Tennis Foundation in terms of making a difference?	31
Base: All those who know about the Tennis Foundation	
Q49_SUM. Do you agree or disagree with each of the following statements? SUMMARY TABLE	32
Base: All respondents	
Q49_1. Do you agree or disagree with each of the following statements? Tennis is generally a welcoming sport to all people	33
Base: All respondents	
Q49_2. Do you agree or disagree with each of the following statements? Tennis is generally good at making itself accessible to people with disabilities	34
Base: All respondents	
Q49_3. Do you agree or disagree with each of the following statements? I feel like a valued member of the tennis community	35
Base: All respondents	
Q49_4. Do you agree or disagree with each of the following statements? Tennis clubs are generally welcoming to people with disabilities	36
Base: All respondents	
Q49_5. Do you agree or disagree with each of the following statements? Tennis is generally good at providing opportunities to play to people of all backgrounds	37
Base: All respondents
