

The Scout Association – Social Action Research

METHODOLOGY NOTE

ComRes interviewed 1,000 young people in the UK aged between 12 and 14 online between the 7th and 19th August 2014. Data were weighted to be nationally representative of all young people in the UK aged between 12 and 24 by age, gender and region. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock:

katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

The Scout Association - Survey of Young People

Q1. Which, if any, of the following do you think are the most important skills you would need to survive in the wild? Please select up to three Base: All young people	1
Q2. If you went camping for a week somewhere remote, what would you miss the most? Please select up to three Base: All young people	3
Q3. How regularly or otherwise do you participate in social activities? By social activities we mean anything, either indoor or outdoor activities, including going for a walk or run, cycling, playing a game, gardening or dance. Base: All young people	7
Q4. How often, if at all, do you feel stressed? Feeling stressed can include feeling worried, nervous or tense about different things such as school or home life, and can sometimes make it difficult to sleep or relax. Base: All young people	10
Q5_SUM. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. SUMMARY TABLE Base: All young people	14
Q5_1. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. Spending time outdoors Base: All young people	15
Q5_2. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. Spending time on social media Base: All young people	18
Q5_3. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. Spending time with family and friends Base: All young people	21
Q5_4. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. Spending time helping others Base: All young people	24
Q5_5. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. Spending time doing hobbies (i.e. playing an instrument, learning a language) Base: All young people	27
Q5_6. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. Spending time taking notice of the world around you Base: All young people	30
Q5_7. To what extent would you say that each of the following have a positive or negative impact on your mental health? Your mental health includes your happiness levels and whether or not you're feeling stressed. Spending time on your mobile Base: All young people	33
Q6. How often, if at all, do you participate in social action activities? By social action activities we mean giving up your time to do something that will help others whilst also learning and developing yourself. For example, teaching digital skills to older people, mentoring young people or improving local spaces for others to enjoy. Base: All young people	36
Q7_SUM. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti. SUMMARY TABLE Base: All young people	40
Q7_1. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti. Young people in my local community are encouraged by adults to tackle social issues Base: All young people	41
Q7_2. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti. I help tackle social issues Base: All young people	44
Q7_3. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti. Adults in my local community think that the social action taken by young people is worthwhile Base: All young people	47
Q7_4. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti. There are clear opportunities in my local community for young people to help tackle social issues Base: All young people	50
Q7_5. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti. I would be willing to help tackle social issues if there was a clear opportunity to do so in my local community Base: All young people	53
Q7_6. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti. It is important that young people help tackle social issues Base: All young people	56
Q7_7. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people	

The Scout Association - Survey of Young People

getting along and community issues such as graffiti. It is not the responsibility of young people to help tackle social issues	59
Base: All young people	
Q8. If the opportunity was available to you, how many hours a month, if any, would you be willing to spend to help tackle a social issue in your local community? For example, this could include things like helping in kitchens for the homeless and teaching digital skills to older people. .	62
Base: All young people	
Q9_SUM. Below is a list of social issues which people may be concerned about. How concerned or otherwise would you say you are about each of the following social issues? SUMMARY TABLE	66
Base: All young people	
Q9_1. Below is a list of social issues which people may be concerned about. How concerned or otherwise would you say you are about each of the following social issues? The quality of life of someone living with dementia (a gradually worsening set of symptoms that may include memory loss and difficulty with thinking, problem-solving or language)	67
Base: All young people	
Q9_2. Below is a list of social issues which people may be concerned about. How concerned or otherwise would you say you are about each of the following social issues? The quality of life of someone living with disabilities (mental or physical impairment occurring from birth or during a person's lifetime which can make it more difficult to perform day-to-day activities)	70
Base: All young people	
Q9_3. Below is a list of social issues which people may be concerned about. How concerned or otherwise would you say you are about each of the following social issues? The quality of life of someone with mental health issues (how you think, feel or behave - mental health issues can mean your emotions or thoughts make it difficult to cope with everyday life)	73
Base: All young people	
Q9_4. Below is a list of social issues which people may be concerned about. How concerned or otherwise would you say you are about each of the following social issues? International access to clean water or toilets (people who don't have access to clean water, or somewhere safe and private to go to the toilet)	76
Base: All young people	
Q10_SUM. To what extent, if at all, are you aware of each of the following? SUMMARY TABLE	79
Base: All young people	
Q10_1. To what extent, if at all, are you aware of each of the following? The ways dementia affects people in day to day life (a gradually worsening set of symptoms that may include memory loss and difficulty with thinking, problem-solving or language)	80
Base: All young people	
Q10_2. To what extent, if at all, are you aware of each of the following? The day-to-day barriers which may prevent disabled people from fully participating in their community (a mental or physical impairment occurring from birth or during a person's lifetime which can make it more difficult to perform day-to-day activities)	82
Base: All young people	
Q10_3. To what extent, if at all, are you aware of each of the following? The different types of mental health issues someone might experience (mental health issues can mean your emotions or thoughts make it difficult to cope with everyday life, affecting how you think, feel or behave) .	84
Base: All young people	
Q10_4. To what extent, if at all, are you aware of each of the following? The number of people who don't have access to clean water and toilets around the world	86
Base: All young people	
Q11. Which, if any, of the following statements apply to you?	88
Base: All young people	
Q12_SUM. If the opportunity was available to you, how many hours each month - if any - would you be willing to spend helping tackle each of the issues below? SUMMARY TABLE	92
Base: All young people	
Q12. If the opportunity was available to you, how many hours each month - if any - would you be willing to spend helping tackle each of the issues below? Dementia	93
Base: All young people	
Q12. If the opportunity was available to you, how many hours each month - if any - would you be willing to spend helping tackle each of the issues below? Disabilities	98
Base: All young people	
Q12. If the opportunity was available to you, how many hours each month - if any - would you be willing to spend helping tackle each of the issues below? Mental health	103
Base: All young people	
Q12. If the opportunity was available to you, how many hours each month - if any - would you be willing to spend helping tackle each of the issues below? International access to clean water and toilets	108
Base: All young people	
Q13_SUM. How confident or otherwise would you feel in each of the following situations? SUMMARY TABLE	113
Base: All young people	
Q13_1. How confident or otherwise would you feel in each of the following situations? Spending time with an individual living with dementia (a gradually worsening set of symptoms that may include memory loss and difficulty with thinking, problem-solving or language)	115
Base: All young people	
Q13_2. How confident or otherwise would you feel in each of the following situations? Spending time with an individual living with disabilities (a mental or physical impairment occurring from birth or during a person's lifetime which can make it more difficult to perform day-to-day activities)	118
Base: All young people	
Q13_3. How confident or otherwise would you feel in each of the following situations? Stepping in to help a disabled person who is being bullied (a mental or physical impairment occurring from birth or during a person's lifetime which can make it more difficult to perform day-to-day activities)	121
Base: All young people	

The Scout Association - Survey of Young People

Q13_4. How confident or otherwise would you feel in each of the following situations? Stepping in to help someone who has lost all or part of their sight	124
Base: All young people	
Q13_5. How confident or otherwise would you feel in each of the following situations? Talking with friends and family about mental health (mental health issues can mean your emotions or thoughts make it difficult to cope with everyday life, affecting how you think, feel or behave)	127
Base: All young people	
Q14. If you lost your eyesight, which, if any, of the following do you think you would miss the most?	130
Base: All young people	
S1. Which, if any, of the following regions best describes where you live?	134
Base: All young people	
S2. Are you...?	138
Base: All young people	
S3. How old are you?	140
Base: All young people	
S4. What is the highest qualification you have attained?	145
Base: All young people	

The Scout Association - Survey of Young People

Q1. Which, if any, of the following do you think are the most important skills you would need to survive in the wild? Please select up to three

Q6. How often, if at all, do you participate in social action activities? By social action activities we mean giving up your time to do something that will help others whilst also learning and developing yourself. For example, teaching digital skills to older people, mentoring young people or improving local spaces for others to enjoy.

Base: All young people

Q7_SUM. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti.

The Scout Association - Survey of Young People

Q7_3. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti.

Adults in my local community think that the social action taken by young people is worthwhile

Base: All young people

Q7_5. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti.

I would be willing to help tackle social issues if there was a clear opportunity to do so in my local community

Base: All young people

Q7_7. To what extent do you agree or disagree with each of the following statements about young people and social issues? By social issues, we mean issues that affect people locally, nationally or internationally such as access to adequate food and water, different groups of people getting along and community issues such as graffiti.

It is not the responsibility of young people to help tackle social issues

Base: All young people

The Scout Association - Survey of Young People

Q8. If the opportunity was available to you, how many hours a month, if any, would you be willing to spend to help tackle a social issue in your local community? For example, this could include things like helping in kitchens for the homeless and teaching digital skills to older people.

Base: All young people
